

GORKA IZAGIRRE

WHITE WINE

Representing the modern txakolis of Bizkaia, Gorka Izagirre is made from a native blend of Hondarrabi Zuri and Hondarrabi Zerratia grapes. Grown and harvested entirely in the Basque Country, our 10 vineyard plots span 30 hectares of vineyards that we cultivate with care, in 10 plots spread over 3 valleys, each with different soil characteristics, altitudes and microclimates.

The distinct production of each plot in the winery, allows each vineyard to reach its potential, achieving a wine that is fresh, lively and aromatic, which is surprising upon taste.

D.O.

Bizkaiko Txakolina

Varieties

50% Hondarrabi Zuri
50% Hondarrabi Zerratia

Vineyard surface

30 hectares distributed in
10 plots and 3 valleys

Density

3.636 strains/hectare

Planting year

2003 - 2020

Average Production

7.000 kg/hectare

TASTING NOTE

Golden straw yellow, with green hues and metallic iridescence. The bouquet combines fresh apple with herbaceous ferns, white flowers and a subtle citric touch. Round in the mouth, this glyceride wine is well-balanced with a fresh fruit sensation and bitter dry fruit perfectly blended for a smooth finish.
